RE: Citizen Query – Business License Complaint

Thank you for your inquiry about a potential business at 5725 55th Avenue.

Bylaw Enforcement Services have reviewed and discussed the situation with the home owner and there is no violation of a bylaw occurring.

In the future, for specific bylaw complaints, you will be best served by contacting the Bylaw Enforcement Services directly, at 403-782-1269. They are best equipped to schedule a prompt response to queries rather than going through an intermediary.

I hope this satisfies your inquiry – please feel free to email or call me if you'd like to discuss this matter further.

Sincerely,

[REDACTED] FOIP Act section 17(1)
