RE: Fairway Drive Sidewalks

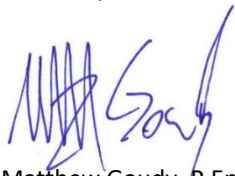

Thank you for your inquiry regarding the proposed Fairway Drive sidewalk.

On May 27th, administration presented Council with a Local Improvement Plan which outlined the details of the proposed local improvement tax required to fund this project. After debate, this item was tabled and brought back for further discussion at the June 10th council meeting. Additional cost sharing options were presented at the meeting. On June 10, 2019, the motion to proceed with the local tax improvement based on a 70/30 cost share was defeated.

Since the funding mechanism for the sidewalk was defeated, the project will not proceed in 2019. Barring any alternate direction, Administration will bring this item back to Council for consideration during your 2020 Capital Budget deliberations.

Please let me know if you have any further questions about this item.

Sincerely,

Matthew Goudy, P.Eng
Chief Administrative Officer
