RE: Fairway Drive Sidewalks

Thank you for your letter regarding the installation of a sidewalk on Fairway Drive.

On May 27th, Administration presented Council with a Local Improvement Plan which outlined the details of the proposed local improvement tax required to fund this project. After debate, this item was tabled and brought back for further discussion at the June 10th council meeting. Additional cost sharing options were presented at the meeting. On June 10, 2019, the motion to proceed with the local tax improvement based on a 70/30 cost share was defeated.

Unfortunately, this means the construction of the sidewalk will not proceed in 2019. Barring any alternate direction, Administration will bring this item back to Council for consideration during their 2020 Capital Budget deliberations.

Sincerely,

Matthew Goudy, P.Eng
Chief Administrative Officer
