RE: Weed Control

Thank you for expressing your concern regarding the weed control issue near your property in Mackenzie Ranch Estates.

The City's Bylaw Enforcement Services have reviewed the issue and have contacted the property owners to the east of your fence. The process that is taken, pursuant to Section 545(1) of the Municipal Government Act, is that the property owners have been given 28 days to rectify the problem. If the weeds have not been controlled within the 28 days, the Bylaw Enforcement Officers will request the City's contracted services to attend the property to remedy the weed issue.

The City of Lacombe owns the municipal reserve to the south of Mackenzie Ranch Estates. The City's Parks Department have since mowed the grass on the municipal reserve.

I trust this letter satisfies your concerns at this time.

Sincerely,

Matthew Goudy, P.Eng
