

SNOW CLEARING POLICY

Policy Number:	32/211.01 2025PO
Policy Review:	Every 3 Years or upon Legislative Change
Policy Owner (Dept.):	Roads Department
Reference(s):	City of Lacombe Traffic Bylaw 506

1. PURPOSE OF POLICY

- 1.1. The City of Lacombe recognizes its obligation to provide an acceptable level of snow clearing services to its residents, to vehicular traffic utilizing the road network, and to pedestrian traffic utilizing public sidewalks within its corporate limits. The City of Lacombe’s Snow Clearing Policy has addressed this historically through a priority-based road classification system and associated procedures. The City of Lacombe’s administration and elected officials may periodically review the Snow Clearing Policy to revise service levels.

2. POLICY STATEMENT

- 2.1. The City of Lacombe’s objective is to provide a sustainable level of snow clearing services using available resources that meets the needs of its community.

3. APPLICABILITY

- 3.1. The City of Lacombe’s Snow Clearing Policy is endorsed by the Chief Administrative Officer and provides direction to City of Lacombe snow clearing operations.
- 3.2. This Policy comes into effect upon approval from Council

4. DEFINITIONS AND ABBREVIATIONS

In this Policy:

- 4.1. **CAO** - shall mean the Chief Administrative Officer or designate of the City of Lacombe.
- 4.2. **Parks Department** - shall mean the Community Services Division - Parks and Facilities Department.
- 4.3. **Roads Department** - shall mean the Operations and Planning Services Division – Roads Department.
- 4.4. **Sidewalk** - shall mean any concrete or asphalt sidewalk, trail, or walkway.

5. ROLES AND RESPONSIBILITIES

5.1. Council

5.1.1. Approve this Policy.

5.2. Chief Administrative Officer

5.2.1. Implementation of this Policy.

5.2.2. Prepare funding and resource plans to implement this Policy.

5.2.3. Approve any exceptions to this Policy. The CAO may vary the priorities, timings, work assignments, equipment usage, and any other policy provision that may be necessary in order to deal with extraordinary or extenuating circumstances.

5.2.4. Maintain a list of all equipment available from outside private or public sources.

5.2.5. Ensure staff compliance with this Policy.

5.3. Directors and Senior Managers

5.3.1. To support compliance with the terms of this Policy.

5.4. Managers and Supervisors

5.4.1. To support compliance with the terms of this Policy.

5.5. Roads Department

5.5.1. Work under this Policy will be undertaken by the Roads Department within or outside of normal working hours in accordance with the priorities. If staffing resources are insufficient to meet snow clearing requirements additional contracted equipment or operators may be engaged to meet the provisions of this Policy or to deal with extraordinary or extenuating circumstances.

5.5.2. Ensure this Policy meets legislative standards.

5.6. Employee/s

5.6.1. Comply with this Policy.

5.7. Private Operators

5.7.1. Private operators interested in performing work for the City shall register their interest with the CAO, specifying the type of equipment available and the terms upon which it is available.

6. POLICY DETAILS

Classifications of Roads for the purposes of this Policy are set out on Schedule A of this Policy.

6.1. Snow Clearing Methods

6.1.1. Clearing of snow from Roads will be undertaken using three principal methods:

6.1.1.1. clearing to the sides of the road using a grader and loaders;

6.1.1.2. clearing to the sides of the road using a truck-mounted plow (truck plow);

6.1.1.3. removal of snow with loaders and trucks (removal).

6.1.2. The use of a particular method for clearing a particular road or in a particular circumstance will be determined by the CAO based on the configuration of the road or sidewalks, road width, traffic volumes, driveway locations or any other specific circumstances. Snow will be removed from any location where its existence interferes with the vision and safety of motorists or where the course of melt water drainage is altered to the extent that property damage may arise.

6.2. Commencement of Clearing Operations

6.2.1. Snow clearing operations will commence once:

6.2.1.1. all accumulation has reached 8 cm for Priority 1 and 2 Roads;

6.2.1.2. the snowpack accumulation has reached 6cm for Priority 3A Roads;

6.2.1.3. the snowpack accumulation has reached 12 cm for Priority 3B Roads;

6.2.1.4. Snow clearing operations will proceed continuously in accordance with the priorities referenced in this Policy.

6.3. Priorities for Clearing

6.3.1. Snow clearing shall be undertaken in order of the following priorities:

6.3.1.1. Priority 1

- City of Lacombe emergency services parking lots.
- Emergency services access routes.
- Provincial Highways 12 and 2A within the City of Lacombe limits.

6.3.1.2. Priority 2

- Primary and secondary roads.
- Parking lots at major community facilities (including the Lacombe Memorial Centre and the Gary Moe Auto Group Sportsplex) and City- owned parking lots.
- School access routes.

6.3.1.3. Priority 3A

- Local residential “collector” roads listed in Schedule A

6.3.1.4. Priority 3B

- All other roads and lanes (residential and commercial).
- Service level amendments as directed by Council (see Schedule A).

6.3.2. The assignment of priorities is set out in Schedule A. The CAO may amend the priority assignments in response to specific conditions or circumstances.

6.3.3. Unless unusual circumstances or additional snowfalls otherwise interfere:

6.3.3.1. Priority 1 roads will be cleared within 72 hours;

6.3.3.2. Priority 2 roads will be cleared within 96 hours; and

6.3.3.3. Priority 3A roads will be cleared within 72 hours of the initiation of snow clearing activities.

6.3.3.4. Priority 3B roads will be cleared within 24 days of the initiation of snow clearing activities.

6.3.4. The order in which Priority 3B roads are cleared will be assessed and prioritized based on snowpack conditions.

6.3.5. Should another snowfall occur before all Priority 3B roads are fully cleared, clearing operations will start again with Priority 1 and 2 roads.

6.4. **Snow Clearing Operations**

6.4.1. Snow shall be cleared equally to both sides of the roads as identified in Schedule A and Map A-1 except where sidewalk locations, boulevard widths, sightlines, driveway locations and other obstructions require that the snow be cleared to only one side.

6.4.2. All driveways blocked as a result of snow clearing operations on roads shall be cleared within two (2) hours of blockage. At a residence where there is only a private walkway present, the private walkway shall be cleared within two (2) hours of blockage. At a

residence where there is both a driveway and a private walkway present, only the driveway shall be cleared within two (2) hours of blockage.

- 6.4.3. Private driveways and/or private walkways blocked as a result of snow clearing operations in local lanes (alleys) will not be cleared.
- 6.4.4. The assignment of priorities is set out in Schedule A and Map A. The CAO may amend the priority assignments in response to specific conditions or circumstances.

6.5. **Snow Removal**

- 6.5.1. Roads identified in Schedule A and Map A-1 will be windrowed to the middle, removed by truck and placed in a snow disposal site designated by the CAO.
- 6.5.2. The assignment of priorities is set out in Schedule A and Map A. The CAO may amend the priority assignments in response to specific conditions or circumstances.
- 6.5.3. Snow removal operations will commence as follows:
 - 6.5.3.1. Priority 1 Locations - Removal will begin within 24 hours of the end of the snowfall except where the snowfall occurs on Friday or Saturday.
 - 6.5.3.2. Priority 2 Locations - Removal will begin within 36 hours of the end of the snowfall except where the snowfall occurs on Friday or Saturday.
 - 6.5.3.3. Priority 3A and 3B Locations. Removal operations will take place during scheduled work shifts.
- 6.5.4. Unless unusual circumstances or additional snowfalls otherwise interfere:
 - 6.5.4.1. Priority 1 roads will have snow removed within 72 hours,
 - 6.5.4.2. Priority 2 roads will have snow removed within 96 hours, and
 - 6.5.4.3. Priority 3B roads will have snow removed within 24 days of the initiation of snow removal activities.
- 6.5.5. Should another snowfall occur before the snow on all Priority 3B Roads are fully removed, removal operations will start again with Priority 1 and 2 Roads.

6.6. **Street Sanding**

- 6.6.1. Roads will be inspected once per day, including weekends and holidays, to determine if sanding is required, and if so at what locations. Roads will be inspected more often during periods of inclement weather.
- 6.6.2. Roads shall be sanded as required when they become hazardous to public safety.

- 6.6.3. The Lacombe Police Service may request sanding for hazardous areas.
- 6.6.4. The following locations shall receive sanding:
 - 6.6.4.1. Intersections;
 - 6.6.4.2. inclines;
 - 6.6.4.3. school zones;
 - 6.6.4.4. primary driving lanes at Gary Moe Auto Group Sportsplex and Lacombe Memorial Centre;
 - 6.6.4.5. any other area where road conditions may make driving unsafe; and
 - 6.6.4.6. any other area where there is a high degree of pedestrian and vehicle interaction.
- 6.6.5. Priority areas for sanding are set out in Schedule B. The CAO may amend the priority assignments in response to specific conditions or circumstances.

6.7. Sidewalks, Trails and Walkways

- 6.7.1. Pursuant to the City of Lacombe Traffic Bylaw 506, all occupants of properties shall remove the snow and ice from the sidewalks abutting their property, and the City shall clear all snow and ice from those sidewalks for which it has responsibility as a property owner.
- 6.7.2. Notwithstanding 6.7.1, the City will also undertake snow clearing and ice control on asphalt and cement surfaced trails within the designated trail system. The service will be provided between Monday and Friday, excluding statutory holidays observed by the City of Lacombe (Map B). Assigned outdoor skating surfaces will be cleared on the weekends as required.
- 6.7.3. The Parks Department will clear sidewalks abutting property that is the responsibility of the City of Lacombe as shown in Map B. The cleaning and sanding of sidewalks shall be undertaken in order of the following priorities:
 - 6.7.3.1. Priority 1 - Downtown area sidewalks and outdoor skating surfaces, within 72 hours.
 - 6.7.3.2. Priority 2 - School related pedestrian sidewalks, within 96 hours.
 - 6.7.3.3. Priority 3 - All other sidewalks, asphalt and concrete trails which are the City's responsibility, within 120 hours.
- 6.7.4. The assignment of priorities to sidewalks is set out in Schedule C. The CAO may amend the priority assignments in response to specific conditions or circumstances.
