6.3. Coat of Arms (Armorial Bearings)

- 6.3.1. The City of Lacombe armorial bearings (Coat of Arms, Flag or Banner of the Arms, the Badge, and the Motto) were granted to the municipality by Robert Douglas Watt, Chief Herald of Canada, on May 15, 2003, and entered in Volume IV, page 284 of the Public Register of Arms, Flags and Badges of Canada, to be borne and used forever by the City of Lacombe, according to the Law of Arms of Canada.
- 6.3.2. The description of the armorial bearings elements are:
 - 6.3.2.1. Arms:
 - The background of the shield is gold, and the centre (and extending to the sides, top and bottom) is a wide, red cross on which is a narrower gold cross. In the upper left corner is a Mountain Bluebird in flight; in the lower left is a gold cross, edged in blue, with fleur-de-lis ends and a red inner cross; in the upper right is an open book with white pages bound in blue; and in the lower right is a pair of interlaced diagonal blue crosses.
 - The gold background symbolizes the community's wealth, the nearby grain fields, and agricultural research. The red cross represents Lacombe's situation as a crossroads of Highway 2 and Highway 12, while the inner cross recalls the missionary work of Father Albert Lacombe (1827-1916), the town's

namesake. The bird is one of Lacombe’s most important chosen emblems. The cross with the fleur-de-lis ends repeats the symbolism of the main cross, with the fleur-de-lis as a reference to Father Lacombe and to a symbol found in the arms of the Rt. Hon. Roland Michener, born in Lacombe whose birthplace is an important heritage site. The book represents Burman University and the agricultural research centres in Lacombe, as well as the City’s commitment to education, research, and technology. The diagonal crosses are the central element of the personal coat of arms of Roland Michener, a reference to the fact that he was Canada’s 20th Governor General.

6.3.2.2. Crest

- The crest, which is placed on a wreath of twisted cloth in red and gold, is a gold coronet made of wheat spikes. On the circlet of the coronet is a frieze of flames of gas in dark and sky blue.

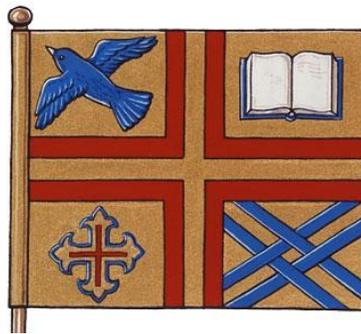

- The ears of wheat represent the local agricultural economy and work at the Lacombe Research Centre. The flames refer to the oil and gas industries.

6.3.2.3. Motto

- PEOPLE, PRIDE, PROGRESS. This phrase was suggested by the municipality.

6.3.2.4. Flag

- The shield has been arranged in a rectangular format.

6.3.2.5. Badge

- This features the Mountain Bluebird in flight with the gold cross placed on it. The symbolism links Lacombe's emblem with the idea of crossroads.
